

The Plymouth Downtown Development Authority met in a regular session on Thursday, June 8, 2017 at Plymouth City Hall.

Among the information from the meeting:

- The Board selected Carl Walker of Kalamazoo for design, bidding and oversight of the renovations for the Central Parking Deck.
- Staff noted mulch will be put around downtown trees and some of the decorative brick around downtown will be repaired.
- The Board declined to act on a suggestion that the DDA rent 674 Maple...a home on the Saxton's property which has been vacant for two years...because of the high cost to make the building habitable.
