

The Plymouth Downtown Development Authority met in a regular session on Thursday, July 13, at Plymouth City Hall.

Among the information from the meeting:

- The DDA Board accepted the recommendation of the Saxton's RFP sub-committee to award Harmonie Park Development the opportunity to work with the City of Plymouth to develop the Saxton's property by a vote of 9-1.

The next step in the process will be to develop an agreement between the city and Harmonie Park to move forward with the process of developing a mixed-use plan for the property, to include 150 public parking spaces.

Any plan will need formal approval by the Planning Commission, Historic District Commission and the City Commission.
