Not Just a Walk in the Park

The City of Plymouth Downtown Development Authority Board met in a regular session on Thursday, February 8.

The meeting was dedicated entirely to goal setting. Sally Elmiger, a City of Plymouth contract planner from Carlisle/Wortman in Ann Arbor, facilitated the discussion.

Board members in attendance each listed their short-term and long-term goals for Downtown Plymouth.

Some that were discussed included increasing downtown parking inventory, replacement of the Central Parking Deck, improvements to the downtown streetscape, and repairs and maintenance of downtown tree lights.

No decisions were made. The discussion on setting future goals for Downtown Plymouth will be ongoing.

Agendas, board meeting minutes and information on Downtown Plymouth activities can be found on the DDA website www.downtownplymouth.org
