Business Update

COVID-19

Governor Whitmer issued an executive order directing all Michigan businesses and operations to temporarily suspend in-person operations that are not necessary to sustain or protect lives. Businesses and operations are prohibited from requiring workers to leave their homes, unless those workers are necessary to sustain or protect life or to conduct minimum basic operations. However, carryout, curbside services and delivery from restaurants are still available.

Due to the COVID-19 outbreak, the **Plymouth Community United Way** has started a COVID-19 Relief Fund to support those in Plymouth, Canton and Western Wayne County who are negatively impacted by the virus. This will provide basic needs for members of our LOCAL community including seniors, families, children, and community agencies. We ask you to donate to the **COVID-19 Relief Fund** and mail your donation to P.O. Box 6356, Plymouth, MI 48170, make a donation on our website, or text PCUW to 41444. Make sure to specify the COVID-19 Relief Fund with your donation. Please visit www.plymouthunitedway.org/COVID-19-Relief-Fund or call (734) 453-6879 for more information.

The **Salvation Army Plymouth Corps** is in need of non-perishable food and personal care items. Food is especially needed for children who are home and not able to get to the schools for their daily meals. Go to www.downtownplymouth.org for the list of what is needed the most.

The list below is an update of the establishments that are open and offering curbside service and/or delivery. Some of the closed establishments are offering online shopping. Some are closed until the governor's executive order is expired. Consider purchasing a gift card from an individual business as a great way to support our local establishments.

UPDATED AS OF 4 p.m. on 3/25/2020
