

2020 Music in the Air Concert Schedule

The City of Plymouth Downtown Development Authority has decided to postpone the first four Music in the Air concerts scheduled for May 29, June 5, June 12 and June 19 because of COVID-19. While the 14 Friday night concert series was scheduled to begin on May 29 and end on Labor Day weekend, the DDA has decided to extend the season with concerts on September 18 and September 25. Of course, it all depends on the limitations presented by weather, COVID-19 and the potential of early construction in Kellogg Park for the new fountain.

Our biggest obstacle will be the continuation of social distancing, as the popular concert series draws 5,000 visitors to Downtown Plymouth's Kellogg Park...and thousands more who visit restaurants and retail establishments.

DDA staff will be re-evaluating the future of the concert schedule in early June.
