From the Desk of the Director

The Plymouth DDA is proud to once again partner with the Salvation Army Plymouth Corp to kick off the holiday festivities in Downtown Plymouth with *The Main Street Boulevard Tree Lighting and Salvation Army Red Kettle Kick Off* on November 15 at 6:30 PM in Kellogg Park next to Main Street.

Prior to this event, the DDA conducts annual maintenance on the tree lights that are lit nightly year round. The lights, refreshed for the coming year, will be revealed at the event as the Salvation Army kicks off their season of giving. Visitors that donate non-perishable food items or a new children's toy will be entered to win gift cards, generously donated by Downtown Plymouth merchants. Enjoy free cookies, free hot chocolate thanks to E.G. Nick's and Gordon Foods, live holiday music brought to you by Sun & Snow, and a special Detroit Lions memorabilia raffle by CFCU.

Join us as we celebrate community, the spirit of giving, and watch Downtown Plymouth transform into a winter wonderland over the coming weeks.

Sam Plymale | DDA Director

Sam Plymale joined the Plymouth DDA as an intern in 2012 and has since led various marketing and infrastructure improvement projects in Downtown Plymouth. Sam was promoted to DDA Director in 2022, and his favorite DDA tasks include DTP's Adopt-A-Planter program and the Friday night Music in the Air concert series.

Friends of the Penn receives grant from the Margaret Dunning Foundation

Friends of the Penn has received a grant of \$8,000 from the Margaret Dunning Foundation to support installation of a permanent public address system at the Penn Theatre.

The Penn Theatre was built in 1941 exclusively as a movie theatre. Last year, the Margaret Dunning Foundation provided funding for the installation of house lighting. This much needed upgrade allowed Friends of the Penn to make the space more adaptable for an increasing number of non-film-based events. The additional of a permanent PA system will allow for better communication during events.

Ellen Elliott, executive director of Friends of the Penn says, "We host a mental health lecture series for the Plymouth-Canton Community School District that benefits our youngest citizens. We also collaborate with the Plymouth District Library to schedule author lectures for people of all ages. We work with other non-profit organizations, including Plymouth Pollinators, Keep Plymouth Leafy, Friends of the Rouge, and Plymouth Community Arts Council, to schedule programming that educates and inspires our residents. This project will also help us better communicate with our audience during movie events that involve post-screening discussion. We are grateful to the Margaret Dunning Foundation for their assistance in helping us continue with our charitable mission of preserving and maintaining the historic Penn Theatre."

For more information about the historic Penn Theatre and Friends of the Penn, a 501(c)3 nonprofit organization, visit www.penntheatre.com

INFRASTRUCTURE SNAPSHOT

At the end of October, the growing season ends and the Plymouth DDA's Adopt A Planter program wraps up for the season. As we enter the month of November, you will see landscapers cleaning and winterizing all of the Downtown Plymouth planters.

Toward the middle of this month, landscapers will update Kellogg Park planters with winter décor, and the Department of Municipal Services will begin transforming Downtown Plymouth into a winter wonderland for the holiday season. Décor includes downtown snowflake lights, holiday banners, and Kellogg Park holiday favorites.

This year, visitors can expect a couple of new interactive décor items in Kellogg Park, including a selfie sleigh and Santa's mailbox.

**Open again after
a major construction project!**

The newest display, which opened October 16, is a Victorian home, modeled after the Church Street home built in 1901 of Charles Draper, a Plymouth optometrist, jeweler and amateur photographer. A re-creation of the house now graces the west end of the Museum's Main Street. Besides being decorated with Victorian-era furniture and artifacts, special technology has been employed so visitors can see and hear the activity in the street outside the front windows.

Be sure to explore the beautiful gowns in the new special exhibit "First Ladies--Fashion Setters."
